In **Lost Records: Bloom & Rage**, the magical summer of 1995 is one of self-discovery and forging unbreakable bonds for high school friends Swann, Nora, Autumn, and Kat. 27 years of no contact later, fate reunites them to confront the long-buried secret that made them promise to never speak again.

Executive Producer Luc Baghadoust and Creative Director Michel Koch are proud to unveil DON'T NOD Montréal's first game: *"It's been quite an adventure for us since our incredible Life is Strange experience - relocating to Canada, setting up our Montréal studio, and assembling a fantastic team during the global challenges we've all faced. Today we are thrilled to finally unveil Lost Records: Bloom & Rage. This new universe is brimming with the magical realism we love, and we are eager to reveal more about Swann, Nora, Autumn, Kat and their journey. We can't wait to hear the community's thoughts!"*

Frédérique Fourny-Jennings, Managing Director at DON'T NOD Montréal, said: *"Over the past three years, we've been building a studio that echoes the strong values of DON'T NOD and welcoming awesome people, so it's the perfect cauldron to develop a brand-new IP that will be infused with who we are here in Montréal. To be able to talk about Lost Records: Bloom & Rage is an indescribable feeling because it goes beyond the story of our characters. It's also about the team who has been carving our identity as a studio and that of the game, as well as those yet to come!"*

Lost Records: Bloom & Rage is scheduled for release in late 2024 on [PC](#), [Xbox Series X|S](#), and [PlayStation 5](#).
